Worker Confirmation:

I confirm that I have completed the Family Development Credential Training using the *Empowerment Skills for Family Workers* curriculum by reading the ten chapters of the Worker Handbook, participating in training sessions, and completing a portfolio demonstrating my competencies.

For the portfolio:

- I have completed at least three Activities to Extend Your Learning for each chapter. The portfolio advisor has reviewed them and we have discussed each issue.
- I have completed a Skills Practice for each chapter, reflected on the experience, and received written feedback from my advisor.
- I have created three Family Development Plans **with one family** that demonstrate our partnership as the family identifies a goal and progresses toward meeting the goal. I have included the plans in my portfolio and have written a reflection about our work together.
