ACTIVITIES TO EXTEND YOUR LEARNING:

I plan to answer the following AELS. (Remember to choose from three different learning objectives.)

1.

2.

3.

Others?

SKILLS PRACTICE PLAN:

I plan to do Skills Practice # ____: (please write the skills practice as it is written in the book)

Setting: (family's home, your home, your workplace, meeting, etc.)

Participants: (those who will be present as you practice this skill, e.g., family members, co-workers, supervisors, etc. Please do not give names.)

Learning Objective(s) to be addressed in this Skills Practice: (write out the learning objective(s))

**Remember FOUR different learning objectives must be addressed in this chapter. Three are addressed in the AELS and at least one additional objective should be covered in the Skills Practice. Any variation from this should be noted, explained and approved by the Portfolio Advisor.

Based on discussion related to the above PLAN, it is appropriate for the family development worker's learning for this chapter.
